LETCHWORTH HOSPITAL

(INCORPORATED)

The Twentieth Annual Report

The Board of Management begs to submit the Twentieth Annual Report of the Hospital, together with the list of Annual Subscribers and Donors, and the Audited Accounts to 31st December, 1934.

In accordance with the Articles of Association, two Meetings of the Association were held in April and October.

A few words on the composition of the Association and its work with regard to the Management of the Hospital may be of interest to subscribers.

The Association of Letchworth Hospital (Incorporated) consists of not more than 100 members, and is composed of the following :

I. Those members of the Letchworth Permanent Hospital Committee, 1914, and of the Letchworth Hospital Board of Management, who were members of either or both bodies at the date of the Registration of the Association in July, 1919.

II. Life Governors, Honorary Life Governors and Governors.

Qualification of Life Governor

(a) A gift of £200 or its equivalent out of the estate of a deceased person entitles a representative nominated by the trustees to be a Life Governor.

(b) A gift of at least 50 guineas by one person, either in one donation, or in instalments of not less than 10 guineas each, from the date of such gift.

Honorary Life Governor

The recommendation by the Board of Management of a person on the grounds of exceptional services rendered, or benefits conferred, subject to election at the Annual General Meeting of the Association.

Qualification of Governor

(a) The gift by a Firm or Company of 100 guineas, or five annual subscriptions of 20 guineas. The Governor to be nominated by such Firm or Company.

(b) The gift of at least 10 guineas by a single person for the period of one year from the date of the payment of such subscription.

(c) A subscription or collection by a religious body of at least 10 guineas for the period of one year from the date of such payment. The Governor to be nominated by such body.

(d) A subscription of at least 10 guineas in any one year by a public body, body of persons employed in a firm, Trade Union or other Society, for the period of one year from the date of such payment. The Governor to be nominated by such body.

III. Not more than three members of the Letchworth Urban District Council, nominated by it.

IV. Two members of the Medical Staff of the Letchworth Hospital.

V. Not more than ten persons, being donors or subscribers to the Association, who shall be nominated in writing by or on behalf of the unincorporated body.

Shortly after the Annual Meeting of the Subscribers and Donors, the Association holds its Annual General Meeting, when it receives the Report and Balance Sheet for the year, adopts the same, appoints the Auditors and the Officers, and elects members of the Board. One-third of the elected members of the Board retire each year, and are eligible for re-election.

The retiring members for this year are :

Mrs. I. E. Joslin

Mr. H. B. Fenwick

The death of Mr. W. C. Walton has caused the third vacancy on the Board.

The Association meets again in the Autumn, when the half-year's work is reviewed. In this way the Association keeps in touch with the work of the Board of Management and the various Committees.

Access to the Articles of Association may always be obtained through the Chairman or Secretary.

THE YEAR'S ACTIVITIES

The number of patients treated in the Letchworth Hospital in 1934 shows a slight increase over 1933—373 as against 363. Patients were admitted from the following districts : Baldock, 37 ; Bradford, 1 ; Cambridge, 1 ; Clothall, 1 ; Edworth, 1 ; Fordyke (Lincs.), 1 ; Glasgow, 1 ; Hartford, 1 ; Hertford, 1 ; Hitchin, 7 ; Letchworth, 330 ; London, 1 ; Luton, 1 ; Royston, 1 ; Rushden, 1 ; Sheffield, 1 ; Stotfold, 6 ; Welwyn North, 1 ; Weston, 1 ; Great Wymondley, 1.

The cost of the maintenance of the road accident cases brought to the Hospital and treated there was £119 14s. 0d., of which £77 12s. 6d. was recovered, leaving an adverse balance of £42 1s. 6d.

Collections taken in churches and other meeting places on Hospital Sunday amounted to £62 8s. 9d., as compared with £80 14s. 5d. in the previous year.

The usual Hospital Ball was held early in the year, organised by Mrs. Hector and her Committee. It was successful in bringing in £101 6s. 2d.

The Frugal Supper has now become a yearly institution. It was organised by Mr. and Mrs. Norman Jepson and their Committee, and £45 was handed in to the Treasurer. This event gives an opportunity for the needs of the Hospital to be laid before a large number of people, and it is hoped thereby to increase the number of private subscribers, both among newcomers to Letchworth and old residents who do not already subscribe.

Acknowledgment should be made of generous help from the Herts Football Association, the North Herts Football Association, the two Cup Competitions at the Golf Club, the Interworks Sports League, Messrs. Thurston & Sons, Miss Bertha Brown (of Baldock), and the Hitchin Thespians.

Pound Day was held towards the end of September in Baldock and Letchworth. Mrs. Farr and her helpers collected £5 5s. 8d. in cash and 290 lbs. in groceries, etc., at their stall in the Baldock Market Place. Mrs. Gaunt and her Committee organised Pound Day in Letchworth, and a collection was also made outside Norton Post Office, organised by Mrs. Freeman. The total results for Letchworth were £25 7s. 4d., and 738 lbs. in groceries, etc.

The sale of silver foil amounted only to £1 13s. 5d., owing to the falling off in this trade with Germany. Collections are still being made in the hope of trade revival.

The Approved Societies have contributed £6 11s. 0d. for Hospital treatment of their members, as against £8 13s. 0d. of last year. £22 15s. 0d. has been received from the Herts County Council for Hospital treatment of school children, and £1 10s. 0d. has been received from the Hitchin Public Assistance Committee.

The financial accounts, which are included in another part of this Report, show as follows :

The Works Collection, £1,350 9s. 3d., as compared with £1,148 18s. 8d. in 1933.

The House to House Collection, £930 15s. 3d., as compared with £850 6s. 4d. in 1933.

The financial results of these two schemes are very satisfactory. These contributions cover the expenses in Hospital of the in-patients concerned.

The Board wishes to emphasise strongly its appreciation of the valuable and self-sacrificing work done by the Collectors and Superintendents. This department is under the special care of Mr. E. A. Barratt, the Assistant Secretary.

The amounts gathered in by the Collectors include a number of annual subscriptions, which however do not appear in the totals of the following lists :

District	Superintendent	£	s.	d.
No. 1	Miss A. H. Blomefield	72	10	2
No. 2 & 3	Major O. S. Pratt, D.S.O.	100	14	10

		£930	15	3

The party for the Collectors was held in July. It was largely attended, and a successful entertainment was arranged by Mrs. Joslin with the help of two conjurors from the Full Fashioned Hosiery Co.

Financial Summary

The income from all sources was £4,463 4s. 3d., compared with £3,787 11s. 0d. in 1933.

The expenditure was £3,824 0s. 8d., compared with £3,996 13s. 3d. in 1933.

There is therefore an excess of income over expenditure of £639 3s. 7d.

This unusual condition is due to the receipt of a legacy of £500 from the late Mr. C. F. Ball. This sum of money has been devoted to reducing the mortgage on the Nurses' Home from £1,000 to £500. This legacy testifies once again to the interest Mr. Ball always took in the Hospital.

Civic Week

The celebration of Civic Week in Letchworth (9th—15th June) is of special interest to the Hospital. Many activities of various kinds are being planned, and during the last two days the Civic Week Hospital Fair will be held. It is hoped to raise a large sum of money in order to meet the pressing needs of the Hospital, such as the re-organisation of the Nurses' Home, the purchase of more surgical equipment, and the provision of special accommodation for children in the Hospital. Active preparations were set on foot early in the autumn, and the effort is arousing general enthusiasm.

District Nursing

The nursing work on the district was carried on by Queen's Nurses Walker and Robins, and their patients frequently testify to their appreciation of their services. Nurse Robins had leave of absence for the first six months of the year, when her place was taken by Queen's Nurse Silby. Nurse Robins has continued to give part-time work to the Herts County Council.

The following table shows the work of the District Nurses for the year :

	1933	1934
General Nursing Visits	7,245	7,758
Casual Visits	348	463
Tuberculosis Home Visits	345	473
	7,938	8,694
Number of cases visited....	386	382

Receipts from various sources amounted to £139 2s. 3d., while the expenditure has been £399 6s. 0d. The detailed account of these sums will be found on page 15.

The Board is very grateful to those friends who organise entertainments for the benefit of the Hospital. It must, however, be borne in mind that the permission of the Board must be obtained before the name of the Hospital is used in advertising these entertainments, all of which are expected to yield a large percentage of takings without heavy deductions for expenses. If too many appeals are made to the public, regular subscriptions and other sources of income may suffer.

The Board wishes to point out that although regular subscribers under the House Collection, and under the Works Collection, are entitled to free maintenance while in Hospital, this does not necessarily imply free medical treatment. In the great majority of cases the doctors make no charge for their services, but they reserve the right to do so when the circumstances of the contributor appear to justify it.

Mr. Connolly has obtained excellent results from the garden, in addition to rendering many other services. The yearly gift of seeds from the Country Gentlemen's Association is much appreciated.

The poultry report shows a credit balance of £2 12s. 0d.

The Board wishes to place on record the devoted services of the Matron and the willing assistance of the nursing and domestic staffs.

The Board records its sincere thanks to the Hon. Consulting Staff, the Hon. Medical and Surgical Staff, and the Hon. Dental Surgeons for their services ; the various ministers of religion for conducting weekly services at the Hospital ; the local Press ; the Hon. Auditors ; all subscribers and donors ; the employees of the various firms ; the promoters of the Hospital Cup Competitions, both football and golf ; St. John Ambulance helpers and Toc H for services rendered ; the Women's Section of the British Legion and the Women's Fellowship (Baldock) ; all the workers in the House-to-House Collection, and Works' Collection ; all friends who have arranged entertainments or have contributed in any way to the welfare of the Hospital.

During the year the Board has lost an old friend through the death of Mr. W. C. Walton. His knowledge of finance was always at the disposal of the Hospital, and his opinion was greatly valued.

The continued illness of Doctor Ledward is deeply regretted. He is very much missed in the counsels of the Hospital, where his experience, tact and judgment were of the greatest service.

By order of the Board,

W. H. GAUNT (Chairman).

March, 1935.

Report of the Medical Committee

As will be seen from the details of the years 1933 and 1934 appended below, there has been again a slight increase in the medical cases and a corresponding decrease in the surgical cases in the Hospital. The number of children under fourteen was unaltered, namely 46, girls 11 and boys 35 ; of these 20 were under 7 years of age. The number of X-ray cases has decreased slightly. There were two fatal road accidents, as compared with six the previous year. Of the total deaths six died within 24 hours of admission.

Mr. Jones has joined the Dental Staff.

To the general regret Dr. Ledward is still absent from duty through ill-health.

P. F. WILSON, M.B.

Secretary of the Medical Committee.
